

THE HARMONY CIRCLE

“First of all human values should be fostered in every house. Everyone should recognize the basic truth that the house is the center of human values.”

“Each limb of the body has a specific role to perform. While accomplishing a bigger task, all limbs coordinate and work in unison. When the eyes spot a fruit on the top of the tree, the legs will walk towards the tree: the hand picks up a stone and pelts at the fruit. When the fruit drops down the fingers pick it up and put it in the mouth where it is masticated by the teeth and sent to the stomach. Thus we see that the limbs of the body have to work in a coordinated manner to perform even a small deed. With such unity prevailing in the house, anything can be achieved.”

“Understanding and then adjustment between each other are very essential for the smooth functioning of any family. Adjusting will come easy only when there is proper understanding.”
